

Ask and Receive

A monthly prayer guide for Mission to the World - Thailand

June Brief: We had a very busy month with a team of 23 high school students and their leaders from Christian Reformed Church in Oostburg, WI. A real demonstration of love poured out to the Thai in our neighborhood as relationships were strengthened. This was also Sarah Adams last month with our team. She starts college in the fall. She was a great asset to our team and we pray she will consider missions for her future.

Prayer Requests

Missionaries working in Thailand:

Dave and Jan Veldhorst (*James, Katy, Jonathan, Bekah, Nicholas*)

- Give God thanks with us for a good short term team from the US that has helped us the past few weeks.
- Pray for Dave's dad to have strength for the chemo and radiation treatments to overcome pancreas cancer.
- Pray for wisdom and discernment in planting a new church and for God to provide the necessary resources.
- Pray for strength for the team as we mentor the THRIVE interns and receive another short term team in July.

Tim and Rhianna Mills (*Emmalynn, Asa, Julian*)

- Please pray for the second and final month of this summer's Thrive mentored internship. Pray for the seven participants as they continue to live and work alongside MTW-Thailand and New City Fellowship Church. Pray for the deepening of their relationships with local Thais.
- Please pray for a team of four women from East Lanier Community Church in Buford, GA that will be coming to work with our team for eight days in July. Please pray for safe travel and the strengthening of the tie between our two churches.
- Please pray for our campus ministry as we take 30 Thai university students to Petchabun, Thailand this month (July 16th-18th) for a service/camping trip. Pray for this trip of concentrated time with these young people. Pray for the witness of Christians on the trip and that God would use this time to bring Thais to faith in him.

Mary Randolph

- Please pray for the English Bible study that God would bring those whom He is drawing to himself to grow in grace and knowledge. Pray for our next series and how the Lord would have me prepare.
- Please pray for the employees of Napada, Nong, Wi, Jumpi, and Ampawn. They have great needs in their family relationships. Please pray for salvation for Jumpi and Ampawn and the immediate family members of all these ladies.

Sarah Adams

- Please pray for the next four years of college studies at Moody. Pray for her decisions as she seeks the Lord's will for her life.

Krystle Reiber

- Growth in relationships and lives transformed in Christ as a result of the inner-workings of God through us.
- The Service team outreach in Petchabun July 16-18th (part of our Campus ministry)--God is glorified and evident to all whose lives are touched by this service project.
- God provides the support money for the interns trying to get out here in September. And prayer for peace on this end--knowing that God has a plan for the English ministry and He is taking care of everything.
- That my time alone with the Lord remains untouched
- That Sarah transitions well back in the United States and she keeps Christ the main thing--in her new mission field in Washington!

Missionaries working on returning to Thailand:

Melanie Currie

- Praise God for his provision of my financial support team! I am very close to 100%! Knowing you have been praying for me this year as I have been support-raising has been "burden-lifting." Thank you for being our team's prayer warriors.
- Praise God for the good time with family this month. Thank you for your prayers. My mom seems to be adjusting more to my calling to Thailand. May God continue working in all of their hearts to know Jesus more and have an active relationship with him.
- Pray for me as I begin preparations to return to Thailand, find a departure date, and handle all the logistical details. God is our rest! (Ps.116:7)

Paul and Crystal Henry (*PJ, Calvin, Adele*)

- Pray for us as we seek to raise more support. Our account is critically low.
- Pray for Paul as he continues on in his studies and as we follow after God during this season of trusting Him more.
- Pray for our travels in the coming month as we visit supporters and family.

Amen

Thank you for praying for us,

The MTW-Thailand Team
